Objective

Experiencing many projects while learning at the university, I have learned how to work in team, solve problem, finish tasks on time, even be leader of some projects. I hope I can learn more experience and contribute to the success of the company.

Work experience

Stationery sale website - Leader   **Mar 2025 - Jun 2025**

University Project

- Tech stack: ReactJs, Spring boot and MySQL.
- Developed a full-stack web application for product listing, filter-base searching, cart management, order tracking, and address book management.
- Implemented user authentication using JWT and HttpOnly cookies for enhanced security.
- Managed permissions at function level, allowing admins to assign and revoke specify permissions for individual users.
- Built a fully responsive UI optimized for mobile, tablet and desktop devices.
- Implemented multilingual support across frontend, backend and database layers, especially for displaying product names and prices based on selected language.
- GitHub: https://github.com/tonhat211/VanPhongPham

Course registration application - Back-end member   **Nov 2024- Jan 2025**

University Project

- Tech stack: React Native, Spring boot and MySQL.
- Developed a full-stack application for student's information management.
- Implemented functions like course registration, schedule viewing, academic result tracking, and university noti cations.
- Design RESTful APIs using Spring Boot and integrated them with a MySQL database.
- Handled logic for course registration, including eligibility check, schedule confict detection and enrollment capacity control.
- GitHub front-end user: https://github.com/tonhat211/Mobile_User
- GitHub front-end admin: https://github.com/tonhat211/Mobile_Admin
- GitHub back-end server: https://github.com/tonhat211/Mobile_Server

Education

Course registration application - Back-end member   **2021 - 2025**

Nông Lâm University

- 4th year student at Nong Lam University, majoring in Infomation Technology.
- GPA: 7.27/10.0 *(current semester grades not yet included)*

Activities and Hobbies

- Catechist at local church
- Contributing to charitable initiatives
- Occasional blood donor
- Playing football
